

Patient Safety Head US

Job ID
REQ-10011953
Jun 28, 2024
USA

About the Role

Role Requirements:

- 10+ years of experience in pharmacovigilance, drug safety, or a related field within the pharmaceutical or biotechnology industry.
- Advanced degree in life sciences, medicine, pharmacy, or a related field preferred
- Experience with global pharmacovigilance regulations and compliance.
- Proven track record in leading and managing large, diverse teams.
- Significant experience in strategic leadership roles within a multinational pharma company

Skills:

- Expertise in pharmacovigilance processes, risk management, and regulatory requirements.
- Ability to cultivate high-performing teams and lead through change.
- Ability to manage and influence stakeholders, as well as represent the organization internally and externally.
- Ability to drive innovation and implement advanced technologies.
- Strong analytical and problem-solving abilities.
- Excellent communication and interpersonal skills.

The company provides reasonable accommodations for otherwise qualified individuals with medical restrictions if an accommodation can be provided without eliminating the essential function of driving.

Why Novartis: Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you. Collaborating, supporting and inspiring each other. Combining

to achieve breakthroughs that change patients' lives. Ready to create a brighter future together?

Benefits and Rewards: Read our handbook to learn about all the ways we'll help you thrive personally and professionally: <https://www.novartis.com/careers/benefits-rewards>

Commitment to Diversity & Inclusion: The Novartis Group of Companies are Equal Opportunity Employers and take pride in maintaining a diverse environment. We do not discriminate in recruitment, hiring, training, promotion or other employment practices for reasons of race, color, religion, gender, national origin, age, sexual orientation, gender identity or expression, marital or veteran status, disability, or any other legally protected status. We are committed to building diverse teams, representative of the patients and communities we serve, and we strive to create an inclusive workplace that cultivates bold innovation through collaboration

and empowers our people to unleash their full potential.

Novartis Compensation and Benefit Summary: The pay range for this position at commencement of employment is expected to be between \$257,600-\$386,400; however, while salary ranges are effective from 1/1/24 through 12/31/24, fluctuations in the job market may necessitate adjustments to pay ranges during this period. Further, final pay determinations will depend on various factors, including, but not limited to geographical location, experience level, knowledge, skills, and abilities. The total compensation package for this position may also include other elements, including a sign-on bonus, restricted stock units, and discretionary awards in addition to a full range of medical, financial, and/or other benefits (including 401(k) eligibility and various paid time off benefits, such as vacation, sick time, and parental leave), dependent on the position offered. Details of participation in these benefit plans will be provided if an employee receives an offer of employment. If hired, employee will be in an “at-will position” and the Company reserves the right to modify base salary (as well as any other discretionary payment or compensation program) at any time, including for reasons related to individual performance, Company or individual department/team performance, and market factors.
